Please Note: All Races and Social Sailing are Weather Permitting, and there will be a race fees for each race when you sign on.

All Sundays that are in Orange have two races due to low tide, one race in the morning and the second race in the afternoon.

The Butlins Trophy (Open Long Distance Race.) will start at 12:30pm due to that because then it gives members/visitors time to arrive and rig up their boats.

There will be two race on the Regatta Day as normal.

All Races will be run according to the World Sailing Rules and Club Sailing Instructions.
